

# IEEE Mini-Grants for Graduate and Upperclassman Design Project Student Application Papers

**\$500 Grants for Students  
with  
Additional Mini-Grants for Faculty Mentors**

The IEEE is offering Grants to both students and faculty mentors to help with graduate and capstone design projects with an industry standards component.\* IEEE will publish the results as a Student Application Paper.

#### Requirements:

Student(s) beginning a design or development project will submit an Abstract Summary describing the project, which includes:

1. Summarizing the project goal (i.e., what are you trying to build?)
2. What standards are being considered to achieve the project goal?
3. Must include a declaration of intention to submit an application paper for publication by the IEEE upon completion of the project.
4. A statement of endorsement from a faculty mentor must be included.

#### Important Dates:

- Apply by 30 September 2008 for 2008 Funding. Final Application Paper is due by 31 December 2008.
- Apply by 30 January 2009 for Winter 2009 Funding. Final Application Paper is due by 30 April 2009.
